

## **REMARKS**

### **Drawing Objections**

Replacement drawings in compliance with 37 CFR 1.121(d) for Figs. 1 and 3 are submitted with this response. Fig. 1 has been amended to change "Structured Solution Objects" of component 110 and "SSO" of component 114 respectively to "Structured Answer Objects" and "SAO". For consistency, Fig. 3 has also been amended as suggested by the Action to replace "Structured Solution Objects" with "Structured Answer Objects". Such Structured Answer Objects (SAOs) are described in the specification as filed, for example, at paragraph [0025].

### **Specification Objections**

Amendments to the specification are provided that include full text of the replacement paragraph with markings to show all of the changes relative to the previous version of the paragraph.

### **Conclusion**

Applicant hopes that these changes will address the outstanding non-compliance issues indicated in the May 03, 2007 notice of noncompliant amendments. If any issues remain, the Examiner is divided to please contact the undersigned to discuss prior to issuing any subsequent Office communication.

Respectfully Submitted,
